► We seek 120 Corporate Subscribers, listed in blue ink above. As you can see, we're almost half way there.

► Home delivery is \$12.60 a year. Local City Fun visits your door each month (bottom of page, in orange ink).

10 REASONS TO INVEST \$189 A YEAR

► Next, we will list your name, address and phone number (see the blue listings above) so readers can visit you for a free copy, and possibly to do some impulse buying. (Worth about \$189 by itself.)

► We will also list your name, address and phone number in your Community Zone box, arranged geographically. These boxes can be found at the bottom of any Calendar Events page. (Worth \$189 by itself.)

► We will also list your name, address and phone number on a features page in a larger font. See page 2 or page 5. (Worth more than \$189 by itself.)

► If there are several listings under your category, such as Churches (see page 11), a page is set up to do features every month.

► We print your business name, address and phone, on a half page in your first edition. Look at page seven. (This is worth more than \$189.)

► Several copies of each edition will be delivered each month for your staff and clients. (Based on one subscription per individual store, church or business.)

What's in it for your community?

► Mississauga does not need another paper filled with ads and very little content.

► You enable a community service with three huge calendars for children, seniors and adults.

► You support a paper packed with information about festivals, boating, dancing, animal fun, food

fun, theatre, sports and other topics of interest.

How do I get a subscription?

Send a \$189 cheque with your name, address and phone number (including an e-mail is optional) to:
